HIGHWAY:

Ben advised the bridge on 750 N just west of State Road 9 is moving right along. They should be able to remove the structure this week. They are hoping to have it opened either late spring or early summer. The Micro Surface finished on Friday in all of the additions. The Culvert on 300 E is done. They have started on the culvert on 425 W between 50 S & 100 S. This culvert has been closed for a while due to damage. This was information only; no action was taken.
