HIGHWAY:

Kem Anderson advised they will finish paving Thursday; they did one little loop by Lewis Creek. Doing drive was cleaning things up. We are close to 46 miles and decide in a couple of weeks where we are with money and weather, to see if we can do anymore. They also finished with the guardrail on Morristown Road, they are still working on the fence. In Blue Ridge they have both ends poured and starting to work on the deck. They also pour the deck on the culvert they were working on 600 E and 244. We are ready to move onto the next one which is at 600 E and 1100 N. This is the next culvert on the list and is in bad shape. Anderson advised he received a price of \$155,000.00. Anderson advised he is supposed to meet Fountaintown Gas at 1:00 to verify the gas line is out of the way. Anderson advised it will be another 2-3 weeks before they can start on it. Diane advised there will need to be an additional needed for this, because there is not enough money to do it this year. Anderson advised he feels the bill will not come in until December. They will wait a couple of weeks and see where the money is after paving before they decide if they need to do an additional. Motion to approve \$155,000.00 for Trisler to replace the culvert at 600 E & 1100 N by Abel, seconded by Nigh, approved 3-0.
