The county will turn their Opioid Money over to the city and they will administer the Grant along with Major Health Partners. Motion to approve was made by Nigh, seconded by Abel, approved 3-0.

FACILITIES DIRECTOR/ SCHNEIDER ELECTRIC CONTRACT:

Jose presented the Commissioners with an annual agreement between the County and Schneider Electric for the Mechanical and HVAC equipment. This is a one-year contract in the amount of \$15,973.00. Motion to approve was made by Abel, seconded by Nigh, approved 3-0.

SHERIFF:

Sheriff let the Commissioners know that he has sent John DePrez two contracts for review. John asked that we wait until next week for these. Sheriff went ahead and gave the Commissioners a little history of the contracts. One is for AMR for dispatch which allows our dispatch to transfer medical calls to AMR so they can give the person on the phone medical advice until the medics arrive. This will take a lot of stress off of our dispatchers and free them up for another call. The second one is with QCC (Quality Correctional Care) which is a service that will provide the jail with a nurse. Koch advised his nurse is leaving and he feels this will be a better fit for the county. Shelby County is one of the few counties that still hires a nurse instead of using a service. The contract amount is \$79,000.00 per year and if we hire a nurse with single insurance the counties cost will be around \$82,000.00 per year. So, this will save the County money.

No action was taken.
