MISCELLANEOUS:

EMA:

Denis advised they are still gathering data from June 11, 2026, storms. It has been classified as EF1 at this time. He feels they will probably extend the line to Mill Road. They had two barns damaged and lots of trees. This was information only.

PLAN COMMISSION:

Commissioner Abel reminded everyone that the Plan Commission Meeting next Tuesday will be held at Shelbyville High School. The reason for this is Desiree will be presented the board with the drafted Data Center Ordinance. Abel advised there will be no vote on this Ordinance, this is for review and to make any changes they feel necessary and to take questions from the public. Abel also wanted to advise the public, there will be no discussion on the current Data Center proposal with the City, Abel advised the county has nothing to do with this, it is within the City Limits, and we only have authority over the County projects.

There being no further business to come before board. A motion to adjourn was made by Runnebohm, seconded by Lawson, approved 3-0.
