**BETSY MEANS-DAVIS/ ELECTION DAY CONCERNS:**

Betsy wanted to come before the Commissioners today with some concerns about the election day polling facilities. Betsy advised she had worked at the Crossroads Community Church, and they had 968 voters. They had people waiting in line for well over an hour. She believes that the voting polls should have more than 1 check in pad and 5 voting machines. Betsy advised this was a problem at all locations this year, long lines, which left workers no time to take their lunches or dinners. This was information only; no action was required.

There being no further business to come before the board. A motion to adjourn was made by Parker, seconded by Nigh, approved 3-0
