A RESOLUTION APPROVING A DEDUCTION FROM ASSESSED

VALUATION FOR MANUFACTURING EQUIPMENT AND FOR

REDEVELOPMENT OR REHABILITATION IN AN ECONOMIC

REVITALIZATION AREA, A CONTINUATION OF THE

DESIGNATION OF SUCH ECONOMIC REVITALIZATION AREA,

AND WAIVER OF NON-COMPLIANCE

WHEREAS, the Common Council of the City of Shelbyville, Indiana (the "Common Council") recognizes the need to stimulate growth and to maintain a sound economy within the corporate limits; and

WHEREAS, PK U.S.A., Inc. is the owner of certain land and improvements (the "Real Estate") within the City of Shelbyville, Indiana (the "City"), a description of which is attached hereto as "Exhibit A"; and

WHEREAS, pursuant to the provisions of Ind. Code 6-1.1-12.1 (the "Act"), the Common Council, in Resolution 1988-27 and Ordinance No. 1937, adopted a final resolution and a final ordinance, wherein the Common Council acknowledged that the Real Estate had become undesirable for, or impossible of, normal development and occupancy because of lack of development, cessation of growth, deterioration of improvements or character of occupancy, age, obsolescence, substandard buildings or other factors and designated the Real Estate an Economic Revitalization Area pursuant to the Act; and

WHEREAS, PK U.S.A., Inc. has obtained subsequent tax abatement for additional manufacturing equipment as well as certain

rehabilitation or redevelopment on said Real Estate; and

WHEREAS, PK U.S.A., Inc. has filed a Statement of Benefits, State Form 51764, and a Statement of Benefits, State Form 51767, along with certain other information requested by the Common Council (collectively, the "Statements of Benefits") and requested tax abatement for certain manufacturing equipment and for certain rehabilitation or redevelopment on said Real Estate (the "Project"); and

WHEREAS, pursuant to the provisions of the Act, any additional assessed values resulting from the installation of manufacturing equipment and the rehabilitation or redevelopment of the Real Estate are eligible for tax abatement;

BE IT RESOLVED by the Council (i) that the estimate of the cost of the new manufacturing equipment is reasonable for equipment of the type described by PK in its applicable Statement of Benefits; (ii) that the estimate of the number of individuals who will be employed or whose employment will be retained can be reasonably expected to result from the installation of the new manufacturing equipment; (iii) that the estimate of the annual salaries of the individuals who will be employed or whose employment will be retained can be reasonably expected to result from the proposed installation of new manufacturing equipment; (iv) that the other benefits about which information was requested can be reasonably expected to result from the proposed installation of the new manufacturing equipment; (v) that the totality of benefits

is more than sufficient to justify the deduction and the continuing designation of the Real Estate as an Economic Revitalization Area; and that none of the new manufacturing equipment shall be used to dispose of solid waste or hazardous waste by converting the solid waste or hazardous waste into energy or other useful products.

BE IT FURTHER RESOLVED that, based upon a review of the Statement of Benefits as to the rehabilitation or redevelopment of said Real Estate, the Common Council finds: (i) the estimate of the value of the redevelopment or rehabilitation of the Project is reasonable for projects of that nature; (ii) that the estimate of the number of individuals who will be employed or whose employment will be retained can be reasonably expected to result from the proposed redevelopment or rehabilitation; (iii) that the estimate of the annual salaries of the individuals who will be employed or whose employment will be retained can be reasonably expected to result from the proposed redevelopment or rehabilitation; (iv) that the other benefits about which information was requested are benefits that can be reasonably expected to result from the proposed redevelopment or rehabilitation; and (v) that the totality of benefits is more than sufficient to justify the award of property tax abatement deductions for the Project.

BE IT FURTHER RESOLVED by the Common Council that the Real Estate which is located at 600 Northridge Drive, Shelbyville, Shelby County, Indiana, and as described in "Exhibit A", be, and it is hereby confirmed as and found to be an Economic Revitalization

Area and the Owner of the Real Estate shall be entitled to a deduction from the assessed value of the Real Estate for such redevelopment and rehabilitation for a period of ten (10) years pursuant to I.C. 6-1.1-12.1-3, and for a period of ten (10) years as to new manufacturing equipment pursuant to IC 6-1.1-12.5-4.5, and said Real Estate described in "Exhibit A" shall remain designated an Economic Revitalization Area, which area is located east of the Conrail Railroad, north of Northridge Drive, west of Pilkington and south of Beechbrook Addition, Shelbyville, Indiana.

BE IT FURTHER RESOLVED that the Council, pursuant to IC 6-1.1-12.1-9.5 and 6-1.1-12.1-11.3 waives non-compliance with those provisions set forth in IC 6-1.1-12.1-9.5 and 6-1.1-12-1-11.3(a) regarding the rehabilitation described in the Project including "Exhibit A" attached to the Statement of Benefits (State Form 51767) filed by PK U.S.A., Inc. in order to allow the deduction said regarding 6-1.1-12.1-4 6-1.1-12.1-3 and IC rehabilitation for a period of ten (10) years by PK U.S.A., Inc. which non-compliance was the failure to file the Statement of Benefits prior to the initiation of said rehabilitation because of the time constraints of the Project and that the Council further finds that said non-compliance has been corrected by the filing of the Statement of Benefits before the adoption of this Resolution.
